Program Performance Budget

Program 313 - Water Supply and Distribution

Program Performance Statement

Supply the community with safe and reliable water at competitive prices funded through user fees, by:

- Managing water resources in a safe, reliable and cost-effective manner through management of contracts with major wholesale water providers, San Francisco Public Utilities Commission (SFPUC) and Santa Clara Valley Water District (SCVWD), and effective utilization of conservation programs, recycled water and City-owned wells,
- Managing the operation, maintenance and construction of the distribution system infrastructure to ensure reliable delivery of water that meets all quality and health standards,
- Responding to water system emergencies in a timely manner,
- Monitoring water quality, and
- Providing administrative and support services to promote customer satisfaction and confidence.
